# Artistic Crafts

A socio-economic-educational project

## Patrimoine Tripoli Liban association

The Patrimoine Tripoli Liban (PTL) association has been working since 2009 to promote, preserve, and enhance the tangible and intangible heritage of the city of Tripoli through projects, events, and educational, pedagogical, cultural, artistic, and tourist activities.

In continuation of this work and in response to a crucial need to develop ancestral know-how to ensure their sustainability, the PTL association is committed to training in the traditional crafts.

### How ?

- Through the establishment of a professional training center
- With the assistance of trainers and artisans
- Through collaborative projects

### Where ?

- At the PTL headquarters in Tripoli, Azmi Street, Azmi Center building, 3rd floor
- In the workshops of the artisans

### Which artistic crafts ?

- Embroidery
- Sewing
- Pottery

### Challenges faced by trainees :

- Weak economic condition
- Increased displacement expenses
- Difficulty in mastering pottery work that requires great precision
- Requirement for more equipment

### Challenges and issues of PTL :

- High cost of machines, tools, and materials
- Inability to finance a larger number of trainees

### Upcoming :

- Glassblowing
- Copperworking
- Mattress manufacturing
